Annual TASP/Alternative Test High School Summary Report

One of the AEIS public notification requirements is to include information received under Texas Education Code §51.403(e) for each high school campus in the district. This information, provided to districts from the Texas Higher Education Coordinating Board (THECB), reports on student performance in postsecondary institutions during the first year enrolled after graduation from high school. As of January 17, 2005, the most recent report, the 2002-03 Annual TASP/Alternative Test High School Summary Report, is not available from the THECB website.

Given that a public hearing must be held within 90 days of receipt of the AEIS materials, it is not necessary for districts to wait for the 2002-03 THECB report. To meet the requirement of TEC §51.403(e), districts may proceed with their hearing for public discussion and publication of the AEIS by referencing the most current THECB report available, which is for the 2001-02 school year.
