

**LEA Public Reporting of Progress in
Meeting Highly Qualified (HQ) Teacher Requirements**

NCLB requires each LEA to publicly report progress of the LEA and its campuses toward meeting the HQ teacher requirements as defined by the state's measurable highly qualified teacher objectives. The Highly Qualified Teacher Reports for LEAs and individual campuses are available on the Texas Education Agency (TEA) NCLB web site at <http://www.tea.state.tx.us/nclb/hqreport.html> after all the campus level reports are received by the agency by the respective report due dates. Please note that there will be three applicable reports for each LEA and one report per campus.

- Highly Qualified Teachers Report (by LEA and Campus)
- Highly Qualified Teachers Report by LEA—High Poverty Quartile Campuses
- Highly Qualified Teachers Report by LEA—Low Poverty Quartile Campuses

NCLB requires that the LEA publicly report the annual progress of the LEA and each campus served by the LEA in meeting the state's measurable highly qualified teacher objectives. The annual targets of these objectives are as follows:

Annual Targets	Percentage of Classes Taught by HQ Teachers (State Aggregate)	Percentage of Classes Taught by HQ Teachers (High-Poverty Schools)	Percentage of HQ Teachers (State Aggregate)	Percentage of Teachers receiving high-quality professional development (State Aggregate)
2006-2007 and beyond Target	100.0%	100.0%	100.0%	100.0%

We are required to compare our data reported by the LEA to these state annual targets to determine the LEA's progress in these areas (see Data on Next Worksheet).
